SRK gives epic reply on being asked about 'biji ka bill' and 'ladki kaisai pataye'

Mumbai, Aug 11 (IANS) He's charming, intelligent and at the same time, super funny. Bollywood superstar Shah Rukh Khan's reply to fans are hard to miss as he gives epic responses to the most absurd questions.

In his latest Ask Me Anything session, fans had a lot to ask about his upcoming film 'Jawaan' but also had a sprinkle of bizarre questions that can tickle the funny bone.

A user during the session asked the King of Romance: "Sir ji ladki kaisai pataye kuch tips dijiye."

To which, SRK said: "Pehla sabak yeh 'patana patana'

mat bolo accha nahi lagta. Jawaan"

One was curious to know about his electricity bill, to which the 'Jawan' star replied: "Humare ghar me pyaar ka noor phaila hua hai. Ussi se Roshini hoti haibil nahi aata. Jawaan."

One tried to age-shame SRK, but unfazed by the question the superstar had a mic-drop worthy answer.

He said: "Accha kiya yaad dila diya aur yaad rakhna bewakoof hone ki koi Umar nahi hoti. ha ha. Jawaan." One asked: Jawaan hone ke liye body honi chahiye? Patla hun sir siliye pooch raha hun.

Rani Mukerji reveals she had a miscarriage in 2020 but refrained from talking about it

Mumbai, Aug 10 (IANS) Actress Rani Mukerji, who was earlier seen in the film 'Mrs Chatterjee vs Norway' in March 2023, has revealed that she went through a personal tragedy in 2020 when she had a miscarriage five months into her second pregnancy during the Covid-19 pandemic.

The actress made the revelation at the Indian Film Festival of Melbourne, the inauguration of which was held recently. She also said that she chose to refrain from talking about the tragedy during the release of 'Mrs Chatterjee vs Norway' as it would have been seen as a promotional strategy.

'Mrs Chatterjee Vs Norway', which is written and directed by Ashima Chibber, is a legal drama which also stars Anirban Bhattacharya, Neena Gupta and Jim Sarbh. The film is inspired by the real-life story of an Indian couple whose children were taken away by Norwegian authorities in 2011.

Addressing the media at the Indian Film Festival of Melbourne, Rani shared: "Maybe this is the first time

I am making this revelation because in today's world every aspect of your life is discussed publicly, and becomes an agenda for talking about your film to get more eyeballs. Obviously, I didn't speak about this when I was promoting the film because it would have come across as me trying to speak about a personal experience that would propel the film. So, it was around the year when Covid-19 struck.

It was 2020. I was pregnant with my second baby at the end of 2020 and I unfortunately lost my baby five months into my pregnancy."

She further mentioned that Nikkhil Advani, who

worked as an assistant on her film 'Kuch Kuch Hota Hai', and is one of the producers of 'Mrs Chatterjee vs Norway', called her in 2020 within 10 days of her miscarriage to share the story that he had in mind.

The actress continued: "After I lost my baby, Nikkhil (Advani) would have called me probably like 10 days later. He told me about the story and I kind of immediately not that I had to have the loss of a child to feel the emotion but sometimes there is a film in the right time of what you are going through personally to be able for you to connect with it instantly. When I heard the story, I was in disbelief.

CarryMinati's new rap single 'Jalwa' is inspired by Cleopatra

Mumbai, Aug 11 (IANS) YouTube sensation CarryMinati, whose real name is Ajey Nagar, has announced his eighth rap single titled 'Jalwa', which pays a mystical tribute to the Queen of the

Nile, Cleopatra. CarryMinati stated: "When I was writing this track, I had a very Egyptian theme in my head. I wanted to make a track that rendered a vibe of deserts and pharaohs. The music video is not an item song but it comes from a place of

purity and spirituality." "Cleopatra was one of the most successful and powerful queens in history. This track celebrates the beauty and intelligence of a woman in a respectful but contemporary manner."

The track, which is composed by his older brother Yash Nagar also known as Wily Frenzy, released on Friday across all major streaming platforms.

Wily Frenzy added: "I wanted to create an experimental soundscape that layered traditional Egyptian themes with contemporary beats. This track was created keeping in mind a modern age Cleopatra."

Vishal Krishna Reddy denies rumours of marriage with actress Lakshmi Menon

Chennai, Aug 11 (IANS) Rumours of Tamil actor Vishal Krishna Reddy's, (popularly known as Vishal) marriage to actress Lakshmi Menon had been circulating for months. The actor has finally denied these reports after his own team refuted the statement.

Taking to his X account (formerly known as Twitter), the actor on August 11 morning wrote: "Usually I don't respond to any fake

news or rumors about me coz I feel it's useless. But now since the rumour about my marriage with Lakshmi Menon is doing the rounds, I point blankly deny this and it's absolutely not true and baseless."

Explaining the reason behind his delayed response to these rumours, the actor said: "The reason behind my response is only because it involves a Girl firstly more than her being

an actress. You are invading and spoiling a girl's private life and maligning her image." "It's not a Bermuda triangle to decode the year, date, time and who I am getting married in the future. Hope sense prevails. When the time comes will announce my marriage officially. God Bless," he added.

WhatsApp rolling out multi-account feature on Android beta

San Francisco, Aug 11 (IANS) Meta-owned messaging platform WhatsApp is rolling out a new multi-account feature on Android beta. Beta users will now be able to add additional accounts to the app, reports WA BetaInfo. Users can add a new account by selecting the arrow icon next to the QR code button. On the same menu, users can also switch to a different account. This feature will help users to keep their private chats, work conversations and other chats all in one application. Users can switch between accounts without using multiple de-

vices or additional apps as this feature keeps their chats and notifications separate. The multi-account feature is currently available to some beta testers that install the latest updates of WhatsApp beta for Android, and is rolling out to more over the coming weeks, the report said. Earlier this week, it was reported that the messaging platform was working on a new passkey feature for account verification on Android beta. A passkey is a short sequence of numbers or letters that is used to verify users' identity.
